

Corporate/Commercial

Attentive and proactive corporate counsel is vital to meeting the competitive demands of carrying on business domestically and internationally. At Aird & Berlis, we advise public and private corporations, partnerships and trusts on matters requiring both immediate action and long-term planning, including:

- > Structuring and negotiation of business transactions, including corporate acquisitions, divestitures and reorganizations
- > Corporate restructurings - establishing domestic and international franchises, licensing arrangements, distributorships and joint ventures
- > Corporate governance issues
- > Arrangements for the commercial exploitation and use of technology
- > Competition issues along with restrictive trade practices, including monopolization, restraint of trade, predatory pricing, price maintenance and discrimination and misleading marketing practices
