

Tax Litigation

Our Tax Litigation team has established itself by providing highly-skilled, responsive and innovative service to a broad range of clients from large companies and public institutions to individuals and small businesses. We have substantial expertise in dealing with disputes relating to income tax, GST/HST and myriad other provincial taxes.

We represent clients at all stages of the audit and assessment process. Making the decision to engage our tax litigation specialists early in the audit process often reduces the time and cost to resolve the matter successfully.

We combine years of tax planning experience with an extensive practice in dealing with the Canada Revenue Agency and, when necessary, representing clients before the courts, including the Ontario Superior Court, the Tax Court of Canada, the Federal Court of Appeal and the Supreme Court of Canada. Our litigation specialists are practical with significant technical expertise which facilitates effective and efficient resolutions.
